MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. Titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte sc.; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by Marcus Witmark & sons, New York, N. Y. Class C, XXe, no. 99303, July 22, 1905; 2 copies received July 22, 1905."

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc; sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte-orch., orchestra; org., organ; guit., guitar; mand., mandolin.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by Marcus Witmark & sons, New York, N. Y. Class C, XXc, no. 92494, Apr. 10, 1905; 2 copies received July 17, 1906."

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by Jos. W. Stern & co., New York, N. Y. Class C, XXc, no. 126286, July 27, 1906; 2 copies received July 27, 1906."

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same; the date of publication is inserted only when it is different from date of copyright. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by E. J. Hall, United States. Class C, XXc, no. 127395, Aug. 13, 1906; 2 copies received Aug. 13, 1906."

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by E. Lowry, United States. Class C, XXc, no. 127825, Aug. 20, 1906; 2 copies received Aug. 20, 1906."

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by Henry Schunke & co., Buffalo, N. Y. Class C, XXc, no. 128352, Aug. 28, 1906; 2 copies received Aug. 28, 1906."

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by John Church company, Cincinnati, Ohio. Class C, XXc, no. 128757, Sept. 4, 1906; 2 copies received Sept. 4, 1906."

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by A. Melville, United States. Class C, XXc, no. 128551, Aug. 31, 1906; 2 copies received Aug. 31, 1906."

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by J. W. Pepper, Philadelphia, Pa. Class C, XXc, no. 129274, Sept. 10, 1906; 2 copies received Sept. 10, 1906."

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

MUSICAL COMPOSITIONS

NEW SERIES, VOLUME 1, JULY–DECEMBER, 1906

No. 17

GOVERNMENT PRINTING OFFICE

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

Of this CATALOGUE Part 2 (Periodicals), Part 3 (Music), Part 4 (Engravings), will be issued monthly hereafter, instead of weekly. Part 1 (Books), will be issued every week as heretofore.

The weekly issue of the numbers of Parts 2, 3, and 4 necessitated search through several short alphabets in order to locate any given title. To avoid this inconvenience it has been suggested that they be published monthly, so that a search through a year of the CATALOGUE will require the examination of only 12 indexes, instead of 52 as formerly.

The last weekly issue of Part 3 (Music) was on October 18, 1906. The first monthly issue is under date of November 15, 1906.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by B. F. Wood music company, New York, N. Y. Class C, XXc, no. 131134, Oct. 3, 1906; 2 copies received Oct. 3, 1906."

Nos. 18–26

MUSICAL COMPOSITIONS

Arranged alphabetically by authors (composers) or titles. The titles beginning with an article are alphabetted under the first word not an article. The imprint is omitted in the title if the publisher and copyright proprietor are the same. Information contained in the title is not repeated in the collation. Piano music is understood to be for two hands unless otherwise stated. Songs are understood to be with pf. acc. unless otherwise stated. Titles reading "Words by," "Music by" are to be understood as songs.

The index at the end of the CATALOGUE contains the names of the copyright proprietors of all the titles registered in this number; it includes also title references to all compositions entered under the authors in the CATALOGUE and author references to all compositions entered under the titles in the CATALOGUE.

The following abbreviations are used: pts., parts; sc., score; full sc., full score; voc. sc., vocal score; pf. sc., pianoforte score; arr., arranged, arrangement; acc., accompaniment; coll., collection; v., violin; va., viola; vc., violoncello; pf., pianoforte; orch., orchestra; org., organ; guit., guitar; mand., mandolin.

Of this CATALOGUE Part 2 (Periodicals), Part 3 (Music), Part 4 (Engravings), will be issued monthly hereafter, instead of weekly. Part 1 (Books), will be issued every week as heretofore.

The weekly issue of the numbers of Parts 2, 3, and 4 necessitated search through several short alphabets in order to locate any given title. To avoid this inconvenience it has been suggested that they be published monthly, so that a search through a year of the CATALOGUE will require the examination of only 12 indexes, instead of 52 as formerly.

The last weekly issue of Part 3 (Music) was on October 18, 1906. The first monthly issue is under date of November 15, 1906.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read, "Copyright by Joseph H. Adams, Sutton, England. Class C, XXc, nos. 131783, 131784, 131785, and 131786, Oct. 11, 1906; 2 copies each received Oct. 11, 1906."
